Kyiv

Your Excellency!

I am pleased to invite you to 'International Support for Ukraine' Conference that will take place in Kyiv on April 28<sup>th</sup>, 2015. This conference will bring together those who have been, and are supporting Ukraine at this historically critical juncture.

This is a first-of-a-kind 'status report' at which Ukraine's most senior government leaders will outline their short- and mid-term reform strategy, plans for reconstruction and recovery of the conflict-affected areas in the Donetsk and Luhansk regions and the nation's commitment to continuing fundamental reforms to address the unique economic and security challenges.

Ukraine has been in dire need of reform for years, but it is only now that they are on track, and are having a broad impact on key economic sectors. As a result, we have organized this conference to present and discuss these reforms with our foreign partners, offering you a unique opportunity to gain insight into the state of the economy and deregulation; energy and energy efficiency; agrarian policy; judicial, home affairs, and anticorruption reforms; as well as the economic consequences of Russia's aggression in Ukraine.

The international community will have occasion to outline their contributions, commitments, and concerns regarding Ukraine's current economic, political and security situation, and its future trajectory.

I express my sincere hope that you will accept this invitation and look forward to welcoming you in Kyiv on April 28<sup>th</sup>.

Sincerely,

**Arseniy YATSENYUK**

**His Excellency  
Mr. Christian Friis Buch  
Executive Secretary of UNECE, Deputy UN Secretary-General**
